

# PRETTYMUCH - Stars

tom: C

The stars above match your eyes (oh) F Dm

I wish you could see them (oh) F Dm

Every night, can't decide (oh) C

But you're beautiful (oh) C

Baby, tell me what you're looking for (oh) Dm C

I'll be waitin' for you at the door (oh) Dm

Baby, tell me what you're looking for (oh) F

You're beautiful (oh) C

Oh, you the baddest thing that I ever did see Dm C

It's true, feel like I'm alone in a galaxy with you Dm

Girl, you outta this world but you never believe it Dm

Ooh, baby, get on my nerves, ooh F

Oh baby, don't know what I know, like Wanda and Cosmo Dm

And you're feeling so-so, baby girl, let's talk about it F

What you afraid for? You should be grateful Dm F

Girl, you're an angel from every angle F Dm

The stars above match your eyes (oh) F

I wish you could see them (oh) Dm

Every night, can't decide (oh) C

But you're beautiful (oh) Dm

Baby, tell me what you're looking for (oh) C

I'll be waitin' for you at the door (oh) Dm

Baby, tell me what you're looking for (oh) Dm

You're beautiful (oh) C

All the screen time entertainin' Dm

But your feelin's always get in the way C

So complex like constellations Dm F

But you're the only one that I wanna change F
