Bb F  
Oh well, here we are again

Cm Bb F  
Lookin' 4 something 2 get us in the mood

Bb F  
I tell each and every one of my friends

Cm Bb F  
That the love we make is really pretty rude

Cm  
But they don't believe me

Bb F  
cuz it's written all over my face

Cm  
Like Evian and the deep blue sea

Bb  
U and me got different taste

[Refrão]

Bb  
Blue light

F  
Can u turn on a Blue light

Cm  
Then cuddle up 2 me So tight

Bb F  
Just u and me all night allright

Bb F  
U say u wish I was shy

Cm Bb F  
I always take a simple thing and push it way too far

Bb F  
But baby, that's the problem with u and I

Cm Bb F  
U say not in public but I say in the car

Cm  
Say, we need to get wild again

Bb F  
like it was when we first met

Cm  
Close your eyes and count 2 ten and when u open 'em -

Bb F  
I'll be standing naked with nothing but a smile on

[Refrão]

Bb

Bb F  
I'll be 117

Cm Bb F  
You'll be still sayin' "Baby not tonite"

Bb F  
It's easy to see us on the cover of a magazine

Cm Bb F  
"Double heart attack, couple both die in a fight"

Cm  
Oh Baby! I don't wanna cross that road

Bb F  
cuz I love u 2 much

Cm  
I'd do anything just 2 heat up your cold touch

Bb F  
Anything I would do, but up until u tell me 2

[Refrão]
