

Prince - Lets Work

Tom: **A**

Tabbed by: FunknFresh
Let's Work

-This is the main structure of the song though of course there are a few things that change ie., bass line does some funky random things that I haven't outlined. This sounds great with at least 2 guitar players.

-Bass b) is played at the end of the second time the main bass line (Bass a)) is played during the chorus.

-All parts transcribed for guitar

Tuning: Standard
Intro: , verses and chorus

Bm 2 3 4 **E** 2 3 4

Bass a) (main bass line)

Chorus

Guitar sounding riff (played over the lyrics)

String part
E||

Post chorus break
-Guitars a) and b) should play their respective riffs over top each other
-Guitar c) plays right after and between Guitar a) and b) riffs
