

Promises - Melodia de Amor

Tom: D

Me permita chegar mais perto
 E falar olhando nos teus olhos
 Do amor que eu sinto por você
 Tua presença me traz
 alegria e faz meu coração
 bater mais forte cada vez mais
 Então vem receber o meu amor
 vem descobrir um mundo lindo pra nós dois

Refrão:

Eu posso olhar pro céu

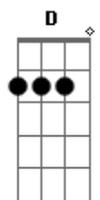

E na beleza do luar
 Me inspirar e fazer lindas melodias de amor
 Pra você (2x)

Se a tempestade vier tentando afogar o amor
 vamos permanecer sempre juntos

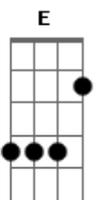

Depois dessa parte abaixa o tom do refrão:

Eu posso olhar pro céu
 E na beleza do luar
 Me inspirar e fazer lindas melodias de amor
 Pra você
