Punky, A Levada da Breca - Punky Brewster

```
                              tom:
                         G
Intro:  G  Em  G  Em

    G
I ran to the end of a rainbow's eye
         Em
There wasn't any pot of gold
                    G
And there I found a new friend who's two feet tall
      Em
One hundred and four years old

      C
Glomer is an orphan
                   G
He was left behind
          C
And a lot like Punky
                   G
He is one of a kind
```
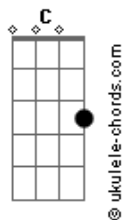

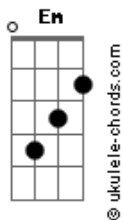

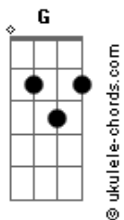

```
                    G
               Punky Brewster
                                   C
Come on it's just a fantasy   You know-uh-oh
G
Punky Brewster
                                 C
I always want you here with me  I know-uh-oh
G
Punky Brewster
                       C
No one's gonna understand
G
Punky Brewster
                            C
Together we're the best of friends
G
Punky Brewster
                            C                      G
I always want you here with me    You know-uh-oh
```
