[Primeira Parte]

The days blur into one  
And I float around the edge of them  
Searching for something  
That'll make me feel alive again  
These past few weeks in a hell of my own creation  
I try vegan food, I take up meditation

[Refrão]

I hope you're doing fine on your own  
'Cause after everything we've been through  
You better hope  
You'll find someone, and you'll try, but you won't  
'Cause after everything we've been through  
Oh baby, I wanna know

[Segunda Parte]

What you were thinking  
When you saw me in the produce section  
Buying organic food  
Making healthy selections?  
I asked you how you've been  
Not that it's any of my business  
But you know me I've always been a little masochistic

[Refrão]

[Ponte]

I hope somehow I never see you again  
And if I do it's at your funeral or better yet  
I hope the world explodes  
I hope that we all die  
We can watch the highlights in hell

I hope they're televised

[Refrão]
