

# Pussycat - I Must Get You

tom:  
G  
I saw your smile, a little while  
But didn't notice it was there  
Cm G  
I went on living like I always did before  
A7 D E G  
Until I realized that mama was calling  
G  
I saw your face, just in case  
C  
You didn't see me in the crowd  
Cm G  
I said I'm sorry when I spoiled your silver  
Jewelry  
A7 A D7  
But you must have heard that mama was calling  
G G Em  
I must get you, my whole life depends on  
Having you  
Cm G  
Please don't hurt me when I say  
Em D C G  
Words I shouldn't speak before you  
Am D G B Em  
But I must get you let me try to make  
You love me too  
C

Ever since you crossed my way  
Gm D  
Everysingle day  
D  
Is made to love you  
D7  
'Cause I love you  
D7 Dm  
Yes I love you, love you, love you  
D  
Love you  
C  
Baby baby I love you so  
G Am  
I must get you take my heart  
D7  
'Cause I don't know why I'm living  
G  
And it hurts until I'm giving it to you  
Am  
Baby, I must get you take my heart  
D7  
'Cause I don't know where I'm living  
G  
Just as long as I'm not standing close to you  
I saw your smile, a little while  
But didn't notice it was there  
I went on living like I always did before  
Until I realized that mama was calling
