

# Quarrymen - Ill Always Be In Love With You

tom:

A

Intro: A7 E7

[Primeira Parte]

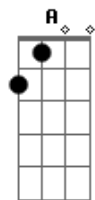

If you should find your way in somebody else's view  
Then I will always be in love with you

[Segunda Parte]

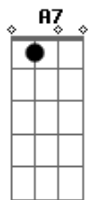

If you prefer to stay a thousand million miles away  
Then I will always be in love with you

[Ponte]

I can't give you anymore, I tried so hard to please

So, let me thank you for those colder memories

[Terceira Parte]

If you should find your way in somebody else's view  
Then I will always be in love with you

[Instrumental]

[Terceira Parte]

If you should find your way in somebody else's view  
Then I will always be in love with you
