

# Queen Latifah - I Know Where I've Been

Tom: Db

Intro:  
( G C Dm C )  
( G C G D C )

There's a light in the darkness  
Though the night is black as my skin  
There's a light burning bright showing me the way  
But I know where I've been

There's a cry in the distance  
It's a voice that comes from deep within  
There's a cry asking why  
I pray the answer's up ahead,  
'cause I know where I've been

There's a road we've been trav'lin'  
Lost so many on the way  
But the riches will be plenty  
With the price, the price we had to pay

There's a dream in the future  
There's a struggle we have yet to win  
And there's pride in my heart  
'cause I know where I'm going, yes I do  
And I know where I've been, yeah

(There's a road)  
There's a road  
(We must travel)  
We must travel  
(There's a promise)  
There's a promise  
(We must make)  
We must make  
(Cause the riches)  
Cause the riches  
(Will be plenty)  
Will be plenty  
(Worth the risk,)  
Worth the risk  
And the chances that we take  
There's a dream in the future  
There's a struggle we have yet to win  
Use that pride in our hearts  
To lift us up to tomorrow  
'cause just to sit still would be a sin  
(I know it, I know it, I know where I'm goin')  
Lord knows I know where I've been  
Oh, when we win  
I'll give thanks to my God  
'cause I know where I've been
