

Queen - A Kind of Magic

Tom: A

One dream one soul one prize one goal
One golden glance of what should be

(Its a kind of magic)

One shaft of light that shows the way
No mortal man can win this day

(Its a kind of magic)

The bell that rings inside your mind
Is challenging the doors of time

(Its a kind of magic)

The waiting seems eternity
The day will dawn of sanity

Is this a kind of magic

(Its a kind of magic)

There can be only one
This rage that lasts a thousand years
Will soon be done

This flame that burns inside of me
Im here in secret harmonies

(Its a kind of magic)

The bell that rings inside your mind
Is challenging the doors of time

Its a kind of magic
Its a kind of magic

A D A

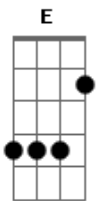

The rage that lasts a thousand years
Will soon be will soon be
Will soon be done

This is a kind of magic
There can be only one

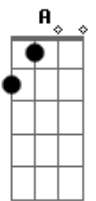

This rage that lasts a thousand years
Will soon be done - done

Magic - it's a kind of magic
Its a kind of magic
Magic magic magic magic
Ha ha ha it's magic
Its a kind of magic
