

Queen - A Winter's Tale

Tom: G

It's Winter fall
 Red Skies are gleaming
 Seagulls are flying over
 Swans are floatin' by
 Smokin' chimney tops
 I dreaming?
 I dreaming?

(verse 2 as above and then.....)
 Dreaming..... so quiet and peaceful

Dreaming..... tranquil and blissful
 Dreaming..... there's a kind of magic in the air!
 Dreaming..... what a truly magnificent view!
 Dreaming..... a breathtaking scene
 And the dreams of the world in the palm of your hand
 (and later on.....)
 It's all so beautiful like a landscape painting in the sky
 Mountains are zooming higher
 Little girls cry. My world is spinning and spinning
 It's unbelievable... sends me reeling
 I dreaming? I dreaming? Oh it's bliss
