Woh - everything I do I do for you

Ow

Oh yeah

We touch and you're afraid of me

And we burn and now I'm at your feet

High speed, but you know you're in safe hands

Ooh, in the dark we make a brighter light

From one spark to the horizon wide

We trust, and together we tame the land, yeah

Oh you'd be forgiven if you think you're dreaming

But we're working night and day to make a dream come true, yeah

Everything I do is driven by you

Oh, come on babe

Oh well it's tough to make a journey through

The right stuff is dead ahead of you and me

And you know we still got time

Whooh, hold on tight to the driving wheel

This ride is really out of line

Raw deal, but there's no other that's worth a dime

You know I love you but you drive me crazy

'Cos you're saying all the things I want to say to you

(You say) Everything I do is driven by you

Everything we do, oh yeah, everything we do

Everything we do, everything we do

Everything we do is driven by you

Inner children lost their way

Now they know the price you pay

I'm holding on to life with you

'Cos life without you just won't do

Driven by you

Ahh, you know we're never gonna know who's dreaming

But we're working night and day to make the dream come true

Yeah everything I do is driven by you

Everything we do, everything we do, everything we do

Yeah everything we do, everything we do, yeah everything we do

Everything we do, everything we do, everything we do..

... is driven by, driven by, driven by you

Yeah

Ooooh everything I doooo, I do for you
