

Queen - Heaven For Everyone

Tom: **G**

This could be heaven?
This could be heaven?
This could be heaven for everyone

In these **D** days of **Gbm** cool **G** reflection
You come to me and everything seems alright
In these **D** days of **Gbm** cold **G** affections
You sit by me - and everything's fine
This could be heave for everyone
This world could be fed, this world could be fun
This could be heaven for everyone
This world could be free, this world could be one

In this **D** world of **Gbm** cool **G** deception
Just your smile can smooth my ride
These troubled days of cruel rejection, hmm

You come to me, soothe my troubled mind
Yeah, this could be heaven for everyone

This world could be fed, this world could be fun
This could be heaven for everyone, yeah
This world should be free, this world could be one
We should bring love to our daughters and sons
Love, love, love, this could be heaven for
eve?ry?oneeeee?

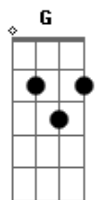

You know that
This could be heave for everyone
This could be heave for everyone

Solo Guitarra
Listen - what people do to their souls

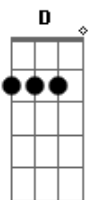

They take their lives - destroy their goals
Their basic pride and dignity
Is stripped and torn and shown to pity
When this should be heaven for eve?ry?oneeee?

This could be heaven?
This could be heaven?
This could be heaven for everyone
