Dm **Am**

One day we love each other then we're fighting one another all the time

C **G**

When I was young and just getting started

Bb **F**

And people talked to me they sounded broken hearted

C **G**

Then I grew up and got my imagination

Bb **A7**

And all I wanted was to start a new relation

Dm **Gm**

So in love but love had a bad reaction

F **Bb**

I was looking for some good old satisfaction

F **G**

But pain is all I got when all I needed was some love and affection

[Ponte]

Bb **Am** **F** **G** **Bb7**

When your plans go wrong and you turn out the light

Bb **Am** **F** **G** **Bb7**

Where are the answers that we're all searching for

There's nothing in this world to be sure of anymore
