Play the game
                                                           Drive me insane, come, come, come ...
Open up you mind and let me step inside

Rest your weary head and let your heart decide
                                                                    Gm
