

Queen - Save me

Tom: G

Verso 1:

It started off so well
They said we made a perfect pair
I clothed myself in your glory
and your love
How I loved you
How I cried
The years of care and loyalty
Were nothing but a sham it seems

The years belie we lived a lie
I love you till I die

Refrão:

Save me, save me, save me
I can't face this life alone
Save me, save me, save me
I'm naked and I'm far from home

Verso 2:

The slate will soon be clean
I'll erase the memories
To start again with somebody new
Was it all wasted
All that love?

I hang my head and I advertise

A soul for sale or rent

I have no heart I'm could inside
I have no real intent

Refrão:

Save me, save me, save me
I can't face this life alone
Save me, save me, oohhh...
I'm naked and I'm far from home

Solo 1: (São 3 guitarras!)

Verso 3:

Each night I cry
I still believe the lie
I love you till I die, yeah ...

Solo 2:

(Save me, save me, save me)

Save me, save me, save me
I can't face this life alone
Save me, save me, huhuuuu...
I'm naked and I'm far from home
