

Queen - Some day, one day

Tom: A

Intro: 4x= A E D E A
2x= A D A A

A D
You never heard my song before
A
The Music was too loud
D
But now I think you hear me well
A
For now we both know how
E D
No star can light our way
A E
In this cloud of dark and fear
A E D A 2x= A E D E A
But some day, one day...
A D
Funny how the pages turn
A
and hold us in between
D
A misty castle waits for you
A
And you shall be a queen

E D
Today the cloud hangs over us
A E
And all is grey
A E D A 2x= A E D E A
But some day, one day...

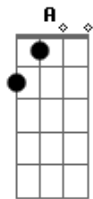

Solo 1: (A D A A)

A D
When I was young and you were me
A
And we were very young
D
Together took us nearly there
A
The rest may not be sung
E D
So still the cloud it hangs over us
A E
And we're alone
A E D A
But some day, one day...

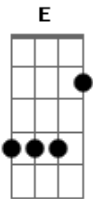

We'll come home

Solo 2: (A E D E A)
