I've paid my dues, time after time.
                                                                                                                                                                                                                                                                                              Am Em
                                                                                         Am
                                                                                                                                                      Em
I've done my sentence, but committed no crime.
                                                                                                        F
                                                                                                                                                                                                             C F
And bad mi-stakes, I've made a few.
                                                                                                                                                                                            G
I've had my share of sand kicked in my face, but I've come
And we mean to go on, and on, and on, and on.
                                                                                    Gbm

And we'll keep on fighting 'til the end
