Tom: D

Intro: G Em Bm A  
G Em Bm A

G Em  
Your heart is like a fortress  
Bm  
Keep your feelings locked away  
A G  
Is it easier?  
Em Bm  
Does it make you feel safe?  
G Em  
You wander through the darkness  
Bm  
Of wilderness behind your eyes  
G  
I know you're afraid  
Em Bm  
But you gotta move on

G Em  
Every fortress falls  
Bm A  
It is not the end  
G Em  
It ain't if you fall  
Bm A G Em  
But how you rise that says who you really are  
A Bm D  
So get up and come through  
G  
If ever your fortress caves  
Em  
You're always safe

G Em  
I believe I know you  
Bm A D  
Yet, I don't truly know myself  
G Em Bm  
I pray you won't feel as alone as I have felt  
G A  
I don't want to fail you so  
Bm  
I tell you the awful truth  
G Bm Em  
Everyone faces darkness on their own  
A Bm  
As I have done, so will you

G Em  
Every fortress falls  
A Bm  
It is not the end
