

Queens Of The Stone Age - Make It Wit Chu

Tom: **C**

Ritmo (B= para baixo, C= para cima): BBCCBC

Intro: **C A Em** (um tempo em **C**, um tempo em **A** e dois tempos em **Em**)

C
You wanna know if I know why?

A **Em**
I can't say that I do,

C
I don't understand the evil eye,

A **Em**
Or how one becomes two.

C **A**
And I just can't recall what started it all,

Em
Or how to begin in the end,

C
I ain't here to break it,

A **Em**
Just see how far it will bend,

Again and again,

C **A**
I wanna make it,

Em
I wanna make it wit chu,

Anytime, anywhere,

C **A**
I wanna make it,

Em
I wanna make it wit chu,

C
Sometimes the same is different,

A **Em**
but mostly it's the same

C
these mysteries of life, that just ain't my thing

A
if I told you that I knew about the sun and the moon,

Em
I'd be untrue,

C
The only thing I know for sure

A **Em**
Is what I wanna do,

anytime, anywhere and I say

C **A**
I wanna make it, (again and again)

Em
I wanna make it wit chu,

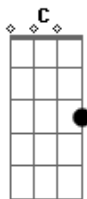

Anytime, anywhere,

C **A**
I wanna make it, (again and again)

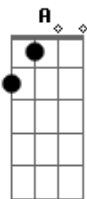

Em
I wanna make it wit chu,

C
I wanna?
