

Queens of the Universe - Every Day is a Holiday When You're a Drag Queen

tom:

Every day is a holiday when you're a drag queen

I'm shining brighter than the lights around the christmas tree

I'm not wearing what you seen all year

You won't find anything boring here

I'm bringing extra cake, come on and have a taste

Baby it's a holiday, ooh

Won't catch me waiting for a certain day to come around

Could be february, could be june

I wake up and use the same excuse

So if you wanna play, there ain't no time to waist

"Badabap", baby is a holiday, aawh

We all have something to give

Love, love, love is the gift

Every day is a holiday when you're a drag queen

Every night is a new invite, is for the taking

Our body ready to decorate, there's always something to celebrate

Every day is a holiday when you're a drag queen

We all have something to give

Love, love, love is the gift

Every day is a holiday when you're a drag queen

Every night is a new invite, is for the taking

Our body ready to decorate, there's always something to celebrate

Every day is a holiday when you're a drag queen
