

# Quiet Riot - Afterglow

Tom: G

Notation:

<> = natural harmonic (fret number in brackets)  
b = bend-up (number of steps in parentheses)  
pb = pre-bend (number of steps in parentheses)  
r = release bend

Intro: -----

Arranged for one six-string guitar - notes added to make it sound fuller, and notes taken away to make it possible to play with one guitar:

Verse

-----

Love Love is all around me  
Everywhere

Love has come to touch my soul with someone who really cares

Pre-chorus

-----

Gb G Gb  
No one can deny us  
Em A  
People who once passed me by will turn their heads around

Chorus

-----

D Em  
I'm happy just to be with you  
G A  
And loving you the way I do

D Em  
Yes everything I need to know  
G A (w/ first three bars of intro)  
Just resting in the afterglow of your love... it feels good baby

2nd verse/pre-chorus:

You, you have always been here  
Feeling deep inside  
A feeling that I could not see  
or touch or try to hide

My love is in and around you  
I bless the day that I found you... listen baby

chorus - this time, add these chords at the end:

D C G

Interlude

-----

A C G  
Love is like a voice in my head  
A C  
Keeps turning round the things that we said

Solo

----

Rhythm behind last two bars of solo:

Oh  
Fade out with chorus repeats
