[Primeira Parte]

From dawn till dusk, I see your face  
In your love, I find my place  
Every heartbeat calls your name  
Nothing with you feels the same

Moonlit nights, we share our dreams  
In your eyes, love's light gleams  
Time stands still when you're near  
With you, there's no fear

[Refrão]

Every second with you  
Feels like heaven's embrace  
Every minute, I knew

That no one could replace  
All my hours are blue  
When we are face to face  
Every day, I love you  
I know this is my pla-----ce

[Segunda Parte]

Through life's rough and stormy seas  
Your love brings me to my knees  
My heart beats true and strong  
In your arms, I belong

Hold you close through night and day  
In your warmth, I want to stay

Every moment spent with you  
Turns my gray skies into blue  
[Refrão]

Every second with you  
Feels like heaven's embrace  
Every minute, I knew  
That no one could replace  
All my hours are blue  
When we are face to face  
Every day, I love you  
I know this is my pla-----ce
