[Primeira Parte]

From dawn till dusk, I see your face

In your love, I find my place

Every heartbeat calls your name

Nothing with you feels the same

Moonlit nights, we share our dreams

In your eyes, love's light gleams

Time stands still when you're near

With you, there's no fear

[Refrão]

Every second with you

Feels like heaven's embrace

Every minute, I knew

That no one could replace

All my hours are blue

When we are face to face

Every day, I love you

I know this is my place

(Bm C G Bm C)

[Segunda Parte]

Through life's rough and stormy seas

Your love brings me to my knees

My heart beats true and strong

In your arms, I belong

Hold you close through night and day

In your warmth, I want to stay

Every moment spent with you

Turns my gray skies into blue
