

## R5 - Christmas Is Coming

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa C )

Oh-oh Christmas is coming  
 Those elves and reindeer are running  
 And I just want you by my side  
 This year the season is crazy  
 Snow globe that somebody's shaken  
 But that's what makes it Christmas time  
 Santa is coming to town  
 And you're not gonna be around  
 The snow is bringing me down  
 'Cause tomorrow's gonna a big day-ay-ay  
 And you're worlds away-ay-ay  
 I'd give anything if we could sing  
 Fa la la la la la la la la la la  
 Oh-oh Christmas is coming  
 Those elves and reindeer are running  
 And I just want you by my side  
 This year the season is crazy  
 Snow globe that somebody's shaken  
 But that's what makes it Christmas time  
 Presents under the tree  
 Could never mean as much to me  
 As you here, that's what I believe  
 That when I see Santa's sleigh-ay-ay  
 Headed this way-ay-ay  
 He's gonna hear my wishes and know I miss ya  
 Fa la la la la la la la la la la  
 Oh-oh Christmas is coming

Those elves and reindeer are running  
 And I just want you by my side  
 This year the season is crazy  
 Snow globe that somebody's shaken  
 But that's what makes it Christmas time  
 If we could all be together  
 In crazy Christmas sweaters  
 I know that Santa hears me loud and clear  
 Don't you hear me now?  
 Oh-oh Christmas is coming  
 Those elves and reindeer are running  
 And I just want you by my side  
 (Ooooh yeah-eah)  
 This year the season is crazy  
 Snow globe that somebody's shaken  
 But that's what makes it Christmas time  
 Yeah, yeah-eah-eah, oh  
 Oh-oh Christmas is coming  
 Those elves and reindeer are running  
 And I just want you by my side  
 This year the season is crazy  
 Snow globe that somebody's shaken  
 But that's what makes it Christmas time (Yeah)  
 Outro: G C Am F G  
 (Oh, woah)  
 (Oh, woah-oh-oh)  
 (That's what makes it, makes it, makes it Christmas time)
