Intro: 2x: **C G D**

C **G** **D** **C** **G** **D** **Em**
I've just come to realize the fire in your eyes for me
C **G** **D** **C** **G** **D**
Em
And baby all these little sparks ignite until I just can't breathe

Pre-Chorus

C **G** **D** **C** **G** **D** **Em**
And time and time and time and time and time again
C **G** **D** **C** **G** **D** **Em**
I'm lying in the dark, and wondering where you are
C **G** **D** **C** **G** **D**
I'm tryna, tryna, tryna find the medicine
C **G** **D** **C** **G** **D**
Straight into my heart, it's tearing me apart
