

## **R5 - Trading Time**

You can stay all night, all night tom: 'Cause we're just trading time Gb Ooh, girl, I'm tired of these nights, they come and go, yeah You can stay all night Ebm You can stay all night, all night Ooh, love, I wonder what you like and what you know, yeah I been catching these feelings, side effects of the weekend Leave the lights on, drink these bottles We should take it slow It's just us until tomorrow 'Cause we're just trading time 'Cause we're just trading time You can stay all night You can stay all night You can stay all night, all night You can stay all night, all night 'Cause we're just trading time When you move it like that, I can't ever go back Ebm When you move it like that You can stay all night Gbm You can stay all night, all night When you move it like that, I can't ever go back Ebm Leave the lights on, drink these bottles When you move it like that It's just us until tomorrow 'Cause we're just trading time 'Cause we're just trading time You can stay all night Fbm You can stay all night You can stay all night, all night You can stay all night, all night 'Cause we're just trading time You can stay all night Ooh, girl, I think we're just foolish by design, yeah You can stay all night, all night Ooh, love, I don't intend to get caught up in lies, no Leave the lights on, drink these bottles Ebm Don't know what I believe in, praise your body on Jesus It's just us until tomorrow We can take it slow 'Cause we're just trading time 'Cause we're just trading time You can stay all night You can stay all night You can stay all night, all night
