

Rachael Yamagata - You Take My Troubles Away

Tom: **Ab**

(**Fm Eb**)
 And so now we begin
 Calling on the fortunate son
 Stand tall taking everything in
 Gliding with the feathers you've won
 I can't live dreaming of a future alone
 Hold tight please don't let the memory go

(**Fm Eb**)
 You take my troubles away
 You take my sirens away
 You keep my sorrows at bay
 Take it all, take it all away

(**Fm Eb**)
 You take my running away
 You take my battles away
Eb Db
 You take my breath away
Ab Eb

Take it all, take it all away

(**Fm Eb**)
 Old words when there's so much to tell
 And i don't know when i'll be there again
 In life, when you're driven away
 Will you recognize the one who returns
 Sweet one the beauty that you're in the dawn
 Dear love all i ask is that you hold on

(**Fm Eb**)
 You take my troubles away
 You take my sirens away
 You keep my sorrows at bay
 Take it all, take it all away

(**Fm Eb**)
 You take my running away
 You take my battles away
Eb Db
 You take my breath away
Ab Eb
 Take it all, take it all away
