

## Rachie - Circles

tom:

Bm

Bm G

Sleeping peacefully

D A

The girl I used to be

Bm G

Until I fell so deep

D A

A neverending tragedy

Bm G

You haunt me in my dreams

D A

But it's all I want to see

Bm G

You're the oxygen I need

D A

Yet I can't breathe

Bm G

Circles, in circles, I go around

D A

Looking for something that can't be found

Bm G

Circles, in circles, without a sound

D A

My words can't be heard when the fear surrounds

Bm

My heart

Bm G

What is happening to me?

D A

Tell me, what does all this mean

Bm G

So far away from reality

D A

"What a lovely place to be."

Bm G D

I tell myself, 'cause every second like this feels like hell

A

Are these words that you gave me real?

Bm

I can't tell

G

It doesn't matter, 'cause nothing matters

D A

I'll see you again in a dream so far away

Bm G

Circles, in circles, I go around

D A

Looking for a reason that can't be found

Bm G

Circles, in circles, without a sound

D A

My tears can't be heard when they hit the ground

Bm

So come, take my hand and

G D

Come, make me feel what it's like

A

When love comes alive

Bm

And one day, I wish that

G D

I won't keep hiding the truth

A

But I'm just a fool

Bm

Oh, I'm such a fool
