

# Radical Face - A Pound Of Flesh

Tom: **B**

(com acordes na forma de **C** )

2x: **C** **Am**

**C**  
My feet plow on from light to dawn  
My empty belly and my body aches ain't hard to take  
Next to the weight I carry in my chest  
A pound of flesh could never tip the scale that I've made  
I should have stayed, but I was never wise  
I hear your voices in the wind that cuts the night  
And I pray to whatever is listening things will be alright **C**  
  
Oh, my boy, you're alive **Am**  
Your heart's still beating **G**  
So don't you mind, don't you mind **Am**  
We all drift sometimes **G**  
  
**F** **G** **Am**

Afinação: **E<sub>b</sub> A<sub>b</sub> D<sub>b</sub> G<sub>b</sub> B<sub>b</sub> E<sub>b</sub>** Intro

I can still hear your feet as you ran from the house  
But knowing you won't be back **F** **G**  
Doesn't mean that I will stop waiting **Am** **Em**  
You told me then: Hold me down or hold me up to the fire **F** **G** **Am**  
But don't you dare hold me back **F** **G**  
( **C** **Am** ) (x2)  
  
**F** **G** **Am**  
I see your faces in the clouds that scar the night **F** **G** **C**  
  
And I pray to whoever is listening things will be alright  
Then today I wake up feeling easy **Am** **G**  
And find I'm on the more familiar roads **C** **F**  
I got a darkness wrapped inside me **Am** **G**  
But now it ain't so hard to let it go **C** **F**  
So keep a candle burning in the window **Am** **G**  
I'm almost home **C**
