

# Radio Company - Velvet Sky

tom:

Intro: C

[Primeira Parte]

I've walked down every street  
Dragged both feet across 'most all the land  
Bathed on every beach  
So I know each grain of sand

[Refrão 1]

But the one thing that I love  
A velvet sky above an angry sea  
Where the raven flies no more  
And you're headed toward the shore to follow me  
Please don't tell 'em where that I went free

[Segunda Parte]

I drink wine from a bottle each day  
Prayin' I won't end up just like th? one who ran away  
And if in fear is wher? I'm livin' for the most  
From the valley to the coast, away from all this wretched sin

[Refrão 2]

And just remember that the one thing that I love

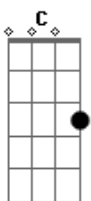

Velvet skies above an angry sea  
Where a sail finds a friend in the wind  
And all your thoughts begin with the raising tide  
Pay me no mind  
Oh, and please don't tell 'em where that I went free  
( C Am C Am )

[Refrão 3]

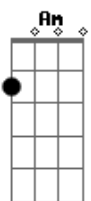

And just remember that the one thing that I love  
Velvet skies above an angry sea  
Where a sail finds a friend in the wind  
And all your thoughts begin with the raising tide  
Pay me no mind  
Oh, and please don't tell 'em where that I went free  
No, please don't tell 'em where that I went free

[Final]
