

Radio Front - Wake Me With Your Call

Tom: **G**

Intro: **G D Em C D**

G
Falling into delusion **C**

To find yourself in this confusion **D** **G**

No, I don't understand **D**

My head spins my heart pumps **C**

And I don't know if this is real **G**

Baby I'm driving all alone **D**

But you can drive with me **C**

If you want to **D** **G**

G
Just wake me with your call **D**

Tell me you're fool **Em**

And you don't want to loose me" **C** **D**

G
I'm sitting in my own bed waiting for some bird to tell me **D** **Em**

To tell me you will come back **C** **D** **C**

G
Just wake me with your call **D**

Tell me you're fool **Em**

And "I don't want to loose you" **C** **D**

G
I'm sitting in my own bed waiting for some bird to tell me **D** **Em**

To tell me you will , you will **C**

G
Just wake me with your call **D**

Tell me you're fool **Em**

And "I don't want to loose you" **C** **D**

G
I wrote that song about ten minutes ago **D**

When I saw you're crying **Em**

And I just want to make you **C** **D**

I Just want to make you Mine
