# Radiohead - 4 Minute Warning

Tom: A

INTRO: A - D - A - D - A - D - E
(2x)

```
                          D             A
This is just a nightmare
                      D             A
Soon I'm gonna wake up
                     D
Someone's gonna bring me around
                      D          A
Running from the bombers
                 D     A
Hiding in the forest
                   D      A
Running through the field
              D              E
Laying flat on the ground
              D     A
Just like everybody
            D     A
Standing overhead
                  D                 E
Running from the underground
```

```
CHORUS:
Bm   Gbm           D
This is a warning
Bm   Gbm     E           A
Four minute warning

D - A - D - E
                        D       A
I dont want to hear it
                     D     A
E I dont want to know
                      D                E
I just want to run and hide
                    D          A
This is just a nightmare
                       D              A
Soon I'm gonna wake up
                      D                            E
Somone is gonna bring me around

CHORUS:

Bm   Gbm     E         D
This is your warning
Bm   Gbm     E         A
Four minute warning
```
