Tom: G

G C G C G  
 Been thinkin 'bout you, your records up here  
 G C G C Gb  
 Your eyes on my wall, your teeth are over there  
 Em Gb G  
 But I'm still no-one, and you're a star  
 C G  
 What do you care  
 G C G C G  
 Been thinkin 'bout you, and there's no rest  
 G C G C Gb  
 Should I still love you, still see you in bed  
 Em Gb G  
 But I'm playin' with myself, what do you care  
 C G  
 When the other men are far far better  
 C B C B C  
 All the things you got, all the things you need  
 C B C B B  
 I bought you cigarettes, I'll bribe the company  
 C B C  
 To come and see you, honey

G C G C G  
 Been thinkin 'bout you, so how can you sleep  
 G C G C Gb  
 These people aren't your friends, they're paid to kiss your feet  
 Em Gb G  
 But they don't know what I know, why should you care  
 C G  
 When I'm not there  
 G C G C G  
 Been thinkin 'bout you, and there's no rest  
 G C G C Gb  
 Should I still love you, still see you in bed  
 Em Gb G  
 But I'm playin' with myself, what do you care  
 C G  
 When I'm not there  
 C B C B C  
 All the things you got, you'll never need  
 C B C B B  
 All the things you got, I'm planning to bleed to,  
 G  
 Please you  
 G (let ring)  
 Been thinkin' bout you
