

Radiohead - Exit Music (For A Film)

tom:

Exit Music (For a Film)

Tabbed by Ewan Pettman.

This is my favourite track from what is possibly my favourite album that I?ve heard so far. I?ve found two of the tab for this, and since neither version sounded right, I came up with my own. It?s probably wrong one or two places, but it seems to work.

Hope you enjoy!
