

Radiohead - High And Dry

```
Tom: E
                                                                All your insides fall to pieces, you just sit there wishing
                                                               you could still make love.
Intro 2x:
                                                                Gbm11
                                                                They're the ones who'll hate you when you think you've got the
Ou fazer da seguinte maneira :
                                                                world all sussed out.
                                                                Gbm11
                                                                They're the ones who'll spit at you, you will be the one
                                                                screaming out.
Two jumps in a week i bet you think that's pretty clever don't
                                                                              Gbm11
you boy.
                                                                Don't leave me high,
                                                                                        don't leave me dry,
                                                                              Gbm11
                                                                Don't leave me high,
                                                                                        don't leave me dry.
Flying on your motorcycle watching all the ground beneath you
                                                                (Solo)
drop.
Gbm11
You'd kill yourself for recognition kill yourself to never
                                                                It's the best thing that you ever had. The best thing that
ever stop.
                                                                you ever ever had.
Gbm11
                                                                 Gbm11
You broke another mirror you're turning into something you are E
                                                                It's the best thing that you ever had. The best thing that you
not.
                                                                had has gone away.
             Gbm11
Don't leave me high,
                        don't leave me dry,
                                                                              Gbm11
             Gbm11
                                                                Don't leave me high,
                                                                                        don't leave me dry,
Don't leave me high,
                        don't leave me dry.
                                                                              Gbm11
                                                                Don't leave me high,
                                                                                        don't leave me dry..
( Gbm11 A
                E )
                                                                              Gbm11
                                                                Don't leave me high,
(intro 1x)
                                                                              Gbm11
                                                                Don't leave me high,
                                                                                        don't leave me dry,
                                                      Ε
Gbm11
                           Α
Drying up in conversation you will be the one who cannot talk. (termina suavemente no último "E")
                                                                Solo:
                                                                Solo 2:
