

# Radiohead - I Can't

Tom: **G**

Please forget the words that I just blurred out  
 It wasn't me it was my strange and creeping doubt  
 It keeps rattling my cage and there's nothing in  
 This world will keep it down

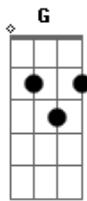

Even though I might

Even though I try I can't  
 Even though I might  
 Even though I try I can't

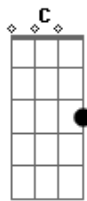

So many things that keep that keep me underground  
 So many words that I that I can never find  
 But if you give up on me now I'll be gutted like  
 I've never been before

Solo: **G C G Am Am D G C G Am Am Bm D**
