

Radiohead - I Can't

Tom: **G**

Please forget the words that I just blurred out
 It wasn't me it was my strange and creeping doubt
 It keeps rattling my cage and there's nothing in
 This world will keep it down

Even though I might

Even though I try I can't
 Even though I might
 Even though I try I can't

So many things that keep that keep me underground
 So many words that I that I can never find
 But if you give up on me now I'll be gutted like
 I've never been before
