

# Radiohead - Inside My Head

Tom: **C**

[Intro:] **Em C Am C**

(**Em C Am C**)

What do you want from me? Now you got me  
Now my fingers bleed, now they're staring at me  
I'm a coward now, I hold my peace  
Now you tie me up to your feather bed  
And I twist and turn in a chinese burn  
You won't let go, you won't let go

**Em Am Em Am**

You're inside my head

**Em Am Em Am**

Inside my head

What do you want from me? Now you got me  
Now my energy, you suck from me  
And I'm holding on for dear life  
Quit smothering me, quit laughing at me  
I've got a disease, an English disease  
It won't let go, it won't let go

What did you put in that syringe?  
Whatever you really said to him?  
Is sitting there, inside of me  
And you bother me, you possess me  
You're there again, a head of me  
And I won't let go, I won't let go
