

# Radiohead - Optimistic

Tom: **C**

Transcribed BY: Chris McGuire

This is how I play it. I got the chorus from Andrew Prefontaine's Tab i just put in the opening riffs. You have to listen to the album to get the rythm and timing right.

(drop **D** tuning)

CHORUS:

**F D D F** AM (?) **D**

Optimistic By Radiohead

Tabbed by Andrew Prefontaine

Here's how the song is supposed to go. The previous tabs of it

were  
pretty close  
but not quite on the mark.

I won't post lyrics with this tab because there seems to be a big stink about it if you do.

It's pretty simple, and believe it or not repetitive Use your own beat style. I only wrote it like this so it would be easy to understand the dsus4 d dsus4 d part.

standard tuning

Verse:

**D F? D D**

**F? C D D D D**

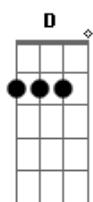

Chorus:

**D F? G D**

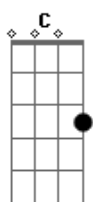

**F C D D D D**

And that's it. Repeat as necessary.
