

# Radiohead - Pyramid song

Tom: **D**

Verse

I think this is accurate, seems a bit too simple  
I have have arranged piano for guitar.  
Intro: ridge

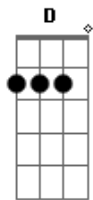

x1

Just mess around on these chords until the vocals come  
In, then play the verse.

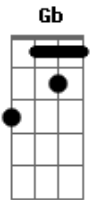

The rest of the song skips between the **Gb G A G Gb**  
chord sequence as in the intro and bridge parts  
and the **Gb G A G Gb Gbm E G** chord sequence in the  
verse parts.

Heres a few riffs heard at the breaks.  
You could using a slide for these parts
