

## **Radiohead - Stop Whispering**

```
Tom: G
                                                                     And the building(?) say we spit on your face some more (?)
                                                                     And the feeling is that there's something wrong 'Cause I can't find the words and I can't find the songs
Key: G
Time Sig: 4/4
                                                                     Stop whispering
                                                                     Start shouting

                              G (let ring)
Intro: (Rhythm Figure 1 x4)
                                                                     Start shouting
Verse 1: (w/ Rhythm Figure 1)
And the wise men say I don't want to hear your voice And the thin men say I don't want to hear your voice
(start Rhythm Figure 2)
                                                                     stop whispering:
And they're cursin' me and they won't let me be
                                                                     e-2-3-2-0
There's nothing to say
(Rhythm Figure 3)
                                                                     then
There's nothing to do
(Rhythm Figure 1, more forcefully)
                                                                     ascending riff is:
Stop whispering
Start shouting
Stop whispering
                                                                     the timing or number if times to play each chord isn't right
Start shouting
                                                                     but the
                                                                     order and chords are right!!!
And my mother say we spit on you son some more (?)
