

Radiohead - The National Anthem

Tom: **D**

tell):

After watching the SNL performance last night, the location was obvious.

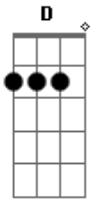

The low **D** is played on the **E** string and it's played on two strings.

The first tab up here was close.

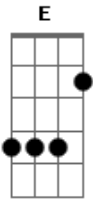

This is the way colin played it (with the fuzz it's hard to or even

Although playing it the way the first tab had it is fine (i'd love to credit it but the second tab overwrote it):
