

Rafa Lourmmel - The Very First Time

Tom: C

C Am F G
C Am F G

Em Angel, please, forgive me, I was wrong Am

F Took a while, now I have learned G

Em I made you cry for me Am

F Please, forgive me G

Em I know, you're the one I want for me Am

F And for you I keep waiting here G

Em You are the cutest thing on Earth Am

F I've ever seen G

Am I used to be only a sketch of me D

Bb Thinking the world was centered on me F

Am But I'm awake, and all I can say D

Bd Is my deepest only love is you F G

C Let me love you, I want to do the right thing Am

F For the very first time G

C Let our love through, it's healing all those wrong things Am

F All my selfishness brought inside G

F And, please, forgive me, now I am here Bb

F I wanna make you happy G

C For the very first time

Em My little bird, gimme one kiss, I love you Am

F Hold me now and make love to me G

Em Let's both forget about the world Am

F Make love to me G

Em I see deep inside your eyes Am

F For me you keep on breathing G

Em We are both only two lovers Am

F Loving each other G

C I wanna blend your love in my love and mix it all Am

F I'll lull you to sleep, and your comforter is me G

C I wanna wake up looking at your smile Am

F So let's make love right now G

C Am F G For the very first time
