Dm
Come to me, smile, come to me
F **G**
Come to me, smile, smile

Dm
Come to me, smile, gimme joy and make it brighter
F
All through my way, I'm not alone I'm hearing you say
G
Letting now my music play
Dm
And when I press play
I feel energy and love all reunite
F
In seven notes all well-defined and
G
They're inspiring me to sing

Em
My pick on **D** minor
C
C, G, **A** major too
G
If dance is what you want
A
I wanna dance with you
Em
If this is feeling good
C
Come on and turn it up, up
G
Come on and turn it up, up
A
Come on and turn it up, up

Em **C**
My special, come, don't lose yourself

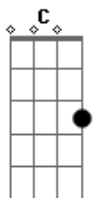

Am **D**
If what you're dreaming will shine on me as well, oh oh
Em **C** **Am**
Tell me if you need it, my hand is ready now to help you turn
it up
D
Then turn your volume up now
Em
Turn your volume up and up
C
Then turn your volume up now
Am
Turn your volume up and up
D
Then turn your?

Dm
Once again I am free of all these fetters
F
Uncertainties, throw away all of my sadness
G
Keep on letting this song play
Dm
Free to be everything I ever dreamt, I'm
F
Flying high and sing it joyful, jump around cause
G
Being happy is grade **A**

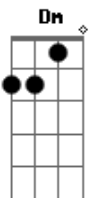

Em
This thing of having millions of things
C
It's so not cool, you can't even feel what you have
G
It's way better to collect smiles
A
Then just come now and do everything with love
