Chegou e habitou secretamente

Me seduziu me apaixonou profundamente

De todo o meu coração e de toda minha alma

Desejo te amar, basta-me te amar

O que posso mais querer do que ter o Teu amor

Resta-me te amar, basta-me te amar

Eu te amarei com a minha vida, o que faria sem Ti

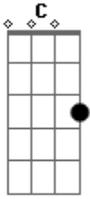

Aonde iria sem Ti, se eu não tivesse o teu amor

Vem morar em mim, habitar intimamente

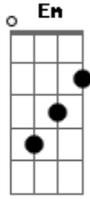

E eu serei fofalha de amor a se consumir

Meu esposo eucarístico, Amável Jesus
