

Rafael Macario - Get To You

tom:

Bm

G D

Every day I was just out of place

Bm A

Was out of my mind

G D

Then you came up and saw right through me

Bm A

You made it feel right

G D

It's 2 am and, and I gotta find you

Bm A

I still see your face when you ain't here and I'm not around you

G D

And I know you're gone but, I could find a boat, run

Bm

I can be your best, love

A

Let me know, you could be my one too

[Pré-Refrão]

G D Bm

I'll drive on the road of love to fight

A

I'm on a ride to get back to you

G D Bm

The stars with nowhere to go tonight

A

Say where you are and I'll get to you

[Refrão]

G D Bm A

And I'll get to you

G D Bm A

And I'll get to you now

G D Bm A

Just think of what we could be doing now
(And I'll get to you now)

G D Bm A

Tell me you want me, you'll be mine tonight
(And I'll get to you now)

G D Bm A

Now and then I just can't keep the pace

Bm A

It's hard to get by

G D

All I need is just you close to me

Bm A

The ocean in your eyes

G D

And now that I met you, I just really want you

Bm A

And I'm not afraid to scream it out, I'm just crazy bout you

G

Cuz you light my world up

D

And you make me feel numb

Bm

Wanna be by your side

A

Say the word, you could be all mine too

[Pré-Refrão]

G D Bm
