

Rafael Viva - Heartbeat

tom: Gb

Abm
No more flirt after some days
Eb
No more feels upon the shades
Dbm
I keep yelling heartbeat sound
E
Rising love on the streets ground

Abm
Buying pills until I die
Eb
By the dreams I felt denied
Dbm
All alone just passing by
E
All the days I've been so kind

Abm
No I don't need no more time
Eb
Just to know how I survived
Dbm
Without hearing heartbeat sound
E
Bleeding love for the all town

Abm
And babe I know just how time
Eb
As come and flowed for life's
Dbm
But I'm killing my soft bound
E
Bleeding love and heartbeat sound

Abm
And I know I can rise you more
Eb
Just to get up in the floor
Dbm
I'd rather feel this way
E

Than to die and feel the pain

Abm
No I don't need no more time
Eb
Just to know how I survived
Dbm
Without hearing heartbeat sound
E
Bleeding love for the all town
