

Rafael Witt - Hazel

tom:
Intro: Bbm Fm Gb Ab

[Primeira Parte]

Bbm Fm Gb Ab
I'd run away

To sew the wind with my hair

Align with the Sun again

A time renegade

To fill the absence of colour

I'd wander in unison

I'd lace the world

Drive the roads all alone

Find air from my lungs to float

A time better spent

Steal the accents of words

No one would understand

[Pré-Refrão 1]

Ebm
No weight, no chase, no burden

Gb
Pulling me down

[Refrão 1]

Bbm Db
So, miraculously I

G
Flow through sadness and joy

Db G
Reckless, I fall

Ab
Still, I cry

Bbm G
Every second I have to change

Ab Bbm
But if I die every second

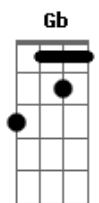

G Fm
I get to change

I heard that time was a letter

Washed out in water paint

Unreadable, or is it?

I don't know

I'm too used to my white blank page

[Pré-Refrão 2]
