                           Afinação: D G C F A D
Intro: C
Pull away the world
So that it?s just you and me
We know tomorrow ain?t no guarantee
But why choose sorrow over destiny?
We have always been afraid of uncertainty
                    Am
But there?s no joy in plain security
We plan and hope and fear
If there is love, it must be here
I thought this wasn?t real but now it?s clear to see
Why have you been hiding? Hiding away from me?
C Dm Em Dm
                 C Bm Am G
Silence all doubts inside my head
C Dm Em Dm C Bm Am G
And hold my hands until I?m dead
Behold I see, behold I see
        C
              G
Behold I see the invitation to happiness
Search my eyes
 For who we used to be
Acordes

And when you find us, please
 Kiss my lips gently
Oh, whatever is hurting you
               C
                               Αm
I promise, I can make it all disappear - just trust me
          Em
No, there is nothing left to lose
      G
                       F G
There?s nothing left to fear, it?s true
I want to believe, believe in us again
I?m not ready to be, to be no Superman
C Dm Em Dm
                C Bm Am G
Silence all doubts inside my head
C Dm Em Dm C Bm Am G
And hold my hands until I?m dead
Behold I see, behold I see
        C
               G
Behold I see the invitation
Behold I see, behold I see
        C
              G
Behold I see the invitation to happiness
Take your time
If I?m to be sincere
There?s nowhere I would be but here
